China Jinxiang country Garlic market price daily report@2019-08-28

Today price is almost same with yesterday. There are about 200 truck in the main market and all the raw materials are with little bit sprout.

There are some complete transaction during the day. The enthusiasm from Buyers and sellers are not in high level.

if you want to start fresh garlic, call me pls:+86 18654775255(Tony Wang), we can give you more than a quotation.

Warmly welcome inquiry me once you have any demand with our Garlic.
